### ***Reasons for Allowance***

The following is an examiner's statement of reasons for allowance:

applicant's arguments on pages 6-10 in amendment filed on April 29, 2004, are persuasive.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

### ***Drawings***

The replacement drawings were received on 29 April 2004. These drawings are approved.

### ***Conclusion***

The prior art made of record and not relied upon is considered pertinent to applicant's disclosure. Slayton et al. (US2003/0036706 A1) disclose an imaging, therapy and temperature monitoring ultrasonic system, but lacks the disclosure of calculating temperature gradients.
